

St. Johnsbury Academy Adult Education announces new allied health career training opportunity.

EMERGENCY MEDICAL TECHNICIAN (EMT) TRAINING

SCHEDULE: Dates to be determined. You can be added to the wait list and we will contact you with the dates of the next class.

COST: \$1300

Tuition support may be available through VSAC or DOL grants and scholarships.

The Emergency Medical Technician course prepares the student to provide pre-hospital assessment and care for patients of all ages with a variety of medical conditions and traumatic injuries. Areas of study include an introduction to emergency medical services systems, roles and responsibilities of EMT's, anatomy and physiology, medical emergencies, trauma, special considerations for working in the pre-hospital setting, and providing patient transportation. The course is meant for both those students that are new to Emergency Medical Services (EMS) systems and those that have obtained EMR licensure. EMT is the primary licensure for any transporting EMS service.

EMT Training Location:

St. Johnsbury Academy Adult Education
1000 Main Street, St. Johnsbury, Vermont

Expert Instructor

Alissa M. Fontaine, NRP, I/C, AS, BS, MS Candidate, is the Emergency Preparedness Coordinator for Northeastern Vermont Regional Hospital in St. Johnsbury, Vermont. An active EMS provider for 10 years, she is a Nationally Registered, Vermont Licensed Paramedic and EMS Educator, and was named Vermont's EMS Educator of the Year in 2020. She holds additional instructor ratings for Pediatric Education for Prehospital Professionals, Prehospital Trauma Life Support, Advanced Medical Life Support, and is an American Heart Association BLS Instructor.
